# **YIN Leadership Development Programme**

**Date: 01 Aug 2023**

## **Activity Report**

**Objective** – The programme aims at nurturing young minds, mentoring them and making them socially responsible. It will also help to bridge the gap between the society and government by creating young and dynamic leaders for Nation Development.

**Description-** India has the largest youth population in the world; more than 50% of its population is below the age of 25. The youth can play a very important a role in changing and shaping the future of this economy. It is the youth that can help transform our country from a developing nation, to a developed nation. Youth are not only the leaders of tomorrow, but also the partners of today. Today, the young population of India desires for a nation free of poverty, unemployment and inequality. Keeping this objective in mind, the Young Inspirators Network (YIN) has come up with an initiative – Leadership Development Programme (LDP). This programme aims at nurturing young minds, mentoring them and making them socially responsible. It will also help to bridge the gap between the society and government by creating young and dynamic leaders for Nation Development. LDP will nurture young minds to become socially responsible leaders in diverse fields, like Business, Politics, Arts, Science, Medicine, etc.

The youth play a vital role in societal transformation in today's times and their participation is imperative. Our Leadership Development Programme (LDP) will enable everyone to contribute to the best of their capacity and ability. It will bring them together and help to mold a nation for a better tomorrow. The Young Inspirations Network (YIN) also salutes all the youth who have made an effort to make a difference in the past.

## **Outcome –**

At the end of this event students will be able to:

1. Create leaders, who will serve as a bridge between society and government by taking up nation development projects.
2. Student Leaders through election and selection, and help them become catalysts for academic, personal, professional and societal change by participating themselves and rallying others in various nation building projects.
3. Young minds at the centre-stage of nation building by creating a system that gives them experiential learning and makes their voice heard by society at large.

## **Feedback-**

Feedbacks were taken from Second, third and final year students before and after the event. Details are attached herewith.
